

**California Proposition 65 Compliance Act
(Safe Drinking Water and Toxic Enforcement Act of 1986)**

Date: 7/7/2022

Proposition 65, officially known as the Safe Drinking Water and Toxic Enforcement Act of 1986, was enacted as a ballot initiative in November 1986. The proposition protects the state's drinking water sources from being contaminated with chemicals known to cause cancer, birth defects or other reproductive harm, and requires businesses to inform Californians about exposures to such chemicals.

⚠️WARNING: Some Polycase products can expose you to one or more of the chemicals listed below, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to: www.P65Warnings.ca.gov.

Chemical	CAS No.	Type of Toxicity
